

HP ELITE DRAGONFLY

LIGHTER THAN AIR

DESIGN

- **Starting below 1Kg** *Mobility beyond expectations and a new level of freedom for those on the go without compromise*
- **X360 providing 4 use mode** *Touch, take notes, watch videos, share content easily...or use it as a standard laptop*
- **13" with impressive narrow borders** *Bring areal immersive experience and an overall very premium look & feel to your device*
- **Road warrior reliability** *Our magnesium unibody frame undergoes 19 military testing (MIL-STD 810G). So you can carry without worry*
- **Backlight & quiet Keyboard** *Keep working comfortably in low light environment and stay unobtrusively quiet for people around you*
- **Iconic Dragonfly Blue** *Style is important at work, Dragonfly blue exudes elegance and helps reflect your unique personality*
- **HP WorkWell** *Makes health measurable and actionable. It's designed to coach you and to provide productivity tips based on your work habits*
- **USB-C charging** *Use the same connector to charge your PC, pen or any other devices USB-C charging compatible*
- **All-day battery life** *Choose from our standard all-day config providing up to 16.5h (0,998kg) or get up to 24.5h with the extended life config (1.13kg)*
- **HP Fast Charge** *Long battery life will get you through a day of meetings and fast charge will get up to 50% battery life in just 30 minute*
- **Intel Optane memory H10** *Unbelievably responsive, it accelerates the launching and loading of your applications so you wait less and do more*

COLLABORATION

- **Bang & Olufsen audio** *Quality and loudness like never before with four top-firing speakers, and four discrete amps providing up to 76db audio*
- **4K UHD HDR display** *Enjoy life in very high definition with superb image quality. Create, with the sharpest pixels and greatest colors (optional)*
- **Noise cancellation for conferencing** *Remove unwanted background noise when you are conferencing from home or public area*
- **4G connectivity** *Get secured, fast connection from almost anywhere with integrated 4G gigabit LTE wireless broadband module (optional)*
- **World-Facing Microphone** *Use your PC in conference mode allowing to capture other people voice in meeting room thanks to our 3rd microphone*
- **HP Collaboration keyboard** *Adjust volume, join a call, end a call, mute, and unmute directly from your keyboard*
- **HP Rechargeable Active Pen G3** *Write and draw precisely, receive alerts if you leave it behind with a pen proximity alert, charge easily (optional)*

SECURITY

- **HP Privacy Camera** *Prevent anyone from watching you without you knowing by physically blocking the lens of your camera*
- **HP SureView G3** *Keep visual hackers in the dark. Just press a button, your screen appears dark and unreadable from the side (optional)**
- **HP SureSense** *As traditional antivirus can't always recognize new attacks, use the power of deep-learning AI to identify never-before-seen attacks*
- **HP SureClick** *Protect from malicious websites and attachments. Open, browse and...just close, the malware is gone*
- **Multifactor Authentication** *Strengthen your security with up to three authentication factors, including fingerprint and facial recognition with IR camera*
- **HP SureStart** *Firmware attacks can completely devastate your PC. Stay protected with the 1st and only self-healing PC BIOS*
- **HP Sure Run** *To get control of your PC, attackers first need to take down its defenses. Keep critical security protections like antivirus up and running*
- **HP Sure Recover** *Advanced malware can wipe out your OS and disrupt your business. Ensures fast, secure, automated recovery from anywhere*

**WORLD'S LIGHTEST
COMPACT BUSINESS CONVERTIBLE**
